

## **OTHER GROOMERS – RENT A TABLE**

If you are interested in using our Studio to operate your business from, please read on.

You will need to email us first to register interest. Please read this sheet for what we will offer and assist you with. If you want to proceed further, complete the Confidentiality Agreement and arrange to bring it in. Once we have discussed suitability for both parties we will supply you with a personalised document which will form the basis of an agreement to rent table space from us. You can email us at [StudioGroomer@SplashDogGrooming.co.uk](mailto:StudioGroomer@SplashDogGrooming.co.uk) to register interest, please include a little bit of background on your dog grooming experience, previous work skills and how long you have been established, or when you intend starting if you are still in training at the moment.

It is very important for you to note that we are NOT employing groomers, you will NOT work as a contractor to us nor will we supply dogs for your business or provide grooming training. You MUST have already had professional training at a recognised training establishment, or been operating full time as a grooming business for AT LEAST one year. Your business will operate autonomously from ours in every sense and will NOT be affiliated or connected to ours in any way other than you are renting the use of facilities. You will be required to sign our non-disclosure/confidentiality agreement when you first visit before you can observe or operate from our premises. You will need to agree to abide by the rules, consents and restrictions our business operates under. You will not be allowed to openly advertise your business within our premises, or store/sell your own stock.

We will only have space for THREE grooming businesses at any one time. There will be a pre-selection process to ensure that our reputation is safe guarded and we are able to offer the most appropriate information and support to help your business grow to be as successful as ours.
